RR What should I do if I give birth far from you. You know how difficult it is to give birth by caesarean section outside of prison, how will it be in prison when I am handcuffed and alone? 99

● Crying out to the world... How am I going to put my newborn in prison?!... The detainee Anhar Al-Deek sent a touching message from the prisons of the Israeli occupation: «What should I do if I give birth far from you. You know how difficult it is to give birth by caesarean section outside of prison, how will it be in prison when I am handcuffed and alone?»

● The wife of the detainee, Ahmed Hamamra, from Beit Sahour, who is on hunger strike in refusal of his administrative detention, says that her husband was severely beaten along with a number of other striking detainees in the Negev prison, and one of the detainees' ribs were broken.
