

Al-Ahrar Week

A weekly Newsletter issued by the International Foundation for Solidarity with Detainees «TADAMON» deals with the most important news of the detainees during the week.

Issue 51, Sunday 7/11/2021

- He became like a skeleton.. The occupation restores the administrative detention order against the detainee, Miqdad al-Qawasmi, who is on hunger strike, and transfers him to Al-Ramlah prison clinic and prevents his family from being with him in the hospital.

- Detainees Authority: The occupation freezes the administrative detention order against the striking detainee for the second time, and we stress that the decision does not mean canceling the detention, and it is considered a disclaimer from the occupation prisons administration for the fate of the health detainee.

- Detainee Shadi Abu Aker defeats the jailer and suspends his hunger strike, which lasted 69 days, after a decision was taken not to renew his administrative detention and to confirm his detention for 6 months.

- Announcing that the detainee, Nasser Abu Hamid, had a cancerous tumor in the lungs; Noting that he has been sentenced to life imprisonment 7 times and 50 years and has been detained since 2002. He has four detained brothers, all of whom are sentenced to life imprisonment, and the occupation is transferring him to Barzilai Israeli Hospital.
