- The administration of the occupation prisons escalates its repressive measures against the detainees by compromising the daily routine of the outbreak, reducing the number of detainees outside it, and the detainees decide to escalate the steps and confront the unjust decisions of the prison administration against them.
- Media Detainees: The measures imposed by the occupation prisons administration against detainees and related to the daily routine of the outbreak, confirms its continuation in implementing its punitive and repressive policies against the detainees, which will lead to an escalation in all prisons, and all options under consideration if the occupation prisons administration does not back down.
- Announced a general alert.. Detainees in all prisons announce the dissolution of the regulatory bodies in protest against the arbitrary measures that the prison administration seeks to impose on them.
- Offer prison administration transfers all detainees of Section 22 and conducts extensive and thorough searches, after claiming to have found an escape plan by digging a tunnel.

- Under the slogan "Our decision is freedom"... the administrative detainees in the Israeli occupation prisons continue their boycott of the occupation courts for the 44th consecutive day to demand an end to the policy of administrative detention.
- All detainees of Section 12 in Nafha Prison were infected with the Corona virus.
- On the occasion of the International Day to Combat It.. 15 detainees with cancer in the occupation prisons are facing a slow death.
- The occupation arrested 504 Palestinians during January 2022.
- For the first time after 15 years of deportation, Sheikh Raed Salah enters Al-Aqsa Mosque.
- Detainee Jamal Abu Al-Heija from Jenin camp donates \$2,500 to relief Syrian refugees for the soul of his youngest son Hamza, who was martyred in an armed clash with the occupation in 2014.
- The Israeli military court sentences detainee journalist Yazan Jaafar Abu Salah from the town of Arrabeh, Jenin district, to an actual prison term of 4 years and a fine of 3000 shekels.
- Jerusalemite detainee Ameen Shweiki continues his strike for diabetes treatment for the 149th consecutive day in protest of his administrative detention.

The Israeli occupation prisons administration continues the solitary confinement, in difficult sanitary conditions, for each of the following detainees:
